

Sustainable periods

Did you know a pack of disposable sanitary pads can contain the equivalent of five plastic bags? More and more people are switching to reusable period products. We hope our sustainable period product scheme makes the switch easier for more people.

It's as easy as:

- 1: Scan the QR code**
- 2: Fill out the form**
- 3: Place your order**

£10
voucher towards your
first purchase.
Buckinghamshire residents only
